Movie

Served as Head of Production for the independent feature film *Byaav Ro Jhol*, leading end-to-end production operations from pre-production through principal photography. Oversaw complete on-ground execution across 4 cities and 20+ locations, managing scheduling, logistics, crew coordination, location permissions, vendor management, and daily shoot planning.

Advertisements

Contributed to the execution of multiple television commercial (TVC) campaigns, supporting production operations from pre-production through shoot execution to post-production. Worked closely with production, creative, art, and technical teams across planning, on-set coordination, artist management, VTS operations, and production logistics, ensuring seamless execution throughout the commercial filmmaking process. The projects showcased below represent the campaigns, brands, and artists I had the opportunity to work with during this journey.
