Professional Summary

Mumbai-based independent musician with a diverse skillset spanning singing, songwriting, and music composition. Experienced in creating original music from scratch, performing live on stage, and independently handling music distribution across digital streaming platforms. Looking for opportunities in the music industry to contribute as a versatile artist and creator.

Core Skills

- Singing:** Lead vocals for studio recordings and live setups.
- Songwriting:** Writing lyrics and structuring song concepts.
- Music Composition:** Creating original melodies, tunes, and music arrangements.
- Music Distribution:** Clear understanding of releasing tracks on streaming platforms (Spotify, JioSaavn, Apple Music, etc.).
- Live Shows:** Performing live on stage and entertaining audiences.

Work & Experience

Independent Music Creator & Performer (2024 – Present)

- Write, compose, and record original songs independently.
- Manage the complete distribution process to successfully release music online.
- Perform live singing sets at commercial venues, events, and shows.
